

## 2014 Varsity Player Covenant

As a member of the Varsity football team, I am making a covenant, commitment, and promise to the coaches, my parents, and the program that I am someone who can be trusted.

This means that for the duration of the season, I will remain drug and alcohol free, I will not cheat on any of my schoolwork, I will not steal, I will be honest and tell the truth when asked about any issue, that I will treat girls with respect and dignity, that I will refrain from any derogatory speech that may offend anyone based on race, gender, or orientation, and I will respect and follow school rules, teachers, administrators and policies.

If I violate any of the above mentioned areas, I understand that the result may be suspension from game, multiple games, and/or dismissal from the team.

As a young man of integrity, I am making this commitment so that I can achieve my potential as a student and as an athlete while at Lenoir City High School and ensure that I am someone who can be trusted.

I understand that as a part of this football program, I agree to the above policy and am obligated to uphold the spirit and intent of it for myself and my teammates. As a player, I agree to the terms outlined and will support the coaching staff in any and all decisions.

Our signatures below indicate our acceptance and support of the aforementioned policy. Participation in Panther Football is contingent upon signing and returning this agreement.
